Consignee Information:

معلومات المستورد

Unit, Organization, or Company receiving cargo, their information goes in this block

Contractor/Shipper Name:

إسم الناقل

This block must contain the Contractor information from the Prime Contract

Delivery Address:

موقع التسليم

This block must contain the address of the END USER destination which is on the Prime Contract

Contact POC Number:

رقم الاتصال

This block must contain the name and telephone number of the Point Of Contact in country

Shipment Information

Line #	Quantity	Type of Goods	الكمية	نوع
1	1 Each	Don't generalized; be descriptive on the type of cargo. Give as much		
2	1 Carton	information as possible so we at Customs have an understanding of what		
3	1 Pallet	we are attempting to approve. Don't abbreviate cargo names, and if		
		weight is available, please place it in this area also.		

Remember, certain cargo have certain levels of detail that have to be added to it's description. For example: Motorized conveniences (vehicles/boats/construction equipment) must be identified by: vehicle identification number (VIN) or chassis/motor numbers; make/model; year of manufacture; color; armored vehicles must be identified as armored.

If your schedule of supplies exceed the space available on this form, type "SEE ATTACHED" and provide additional pages of the contract containing the pertinent information needed to process your request.

Unique Contract Number.

The Prime Contract number must be added to this block
